

Deze Multi is specifiek afgestemd op de behoeftes van mannen en vrouwen vanaf 65 jaar en heeft een gunstige invloed op de algehele gezondheid en vitaliteit. De Gezondheidsraad beveelt senioren en mensen met een donkere huidskleur aan extra Vitamine D3 wat goed is voor de botten. Calcium ondersteunt het energieniveau en Vitamine C is goed voor de weerstand. Bevat tevens Panax Ginseng: goed voor het geheugen en ter ondersteuning van de vitaliteit!
*Gezondheidsclaims in afwachting van Europese toelating.

Dosering / Dosage : 1 x daags 1 tablet met ruim water innemen. Aanbevolen dagelijkse dosering niet overschrijden. / Prendre une fois par jour 1 comprimé avec d'eau largement. Ne pas dépasser la dose journalière recommandée.
